

# Chlorilong® POWER 5

Chlorilong® POWER 5 is a slow dissolving 5 function chlorine tablets for the continuous removal of impurities from the pool water.

## Use

**Function of product: chlorine disinfection.**

Chlorilong® POWER 5 is a slow dissolving multifunctional pool chlorine tablet for the continuous removal of impurities from the pool water.

## Product description

### 5 functions:

- Removal of impurities
- Anti algae
- Clarifier
- Anti scale
- Chlorine stabilizer.

Copper sulfate free: avoids liner discolouration.

## Dosing/instructions for use

- Initial dosage: Carry out a basic chlorination with Chloriklar® or Chlorifx, then add the corresponding quantity of Chlorilong® POWER 5 tablets directly in the skimmer.
- Continuous dosage: 1 Chlorilong® POWER 5 tablet for 30 m<sup>3</sup> to apply directly into the skimmer (\*The dissolution speed may vary and is highly dependent on pump running time and water temperature).

**Important note:** Never apply Chlorilong® POWER 5 tablets directly into the pool to prevent bleaching spots. Avoid direct contact with non-chlorine resistant materials

## Product benefits:

- 1 5 function pool chlorine tablets made from high quality raw materials
- 2 A.P.O.® technology guarantees a uniform amount of chlorine during the dissolution period
- 3 No gaps in the water disinfection and additional security for clean and safe pool water
- 4 Ensures crystal clear water
- 5 Do not contain copper sulfate (will not cause damage to the pool surface)

Ref: 5599250  
Weight: 5 kg

## Indispensable
